## MAYOR'S REPORT

Hope everyone has been enjoying the warm weather. Springtime is definitely a beautiful time of the year. I want to give special thanks to the Office of Special Events and Cultural Affairs and to the city staff for a job well done on the Renaissance Festival. We had a great turn out and it was lots of fun. We have many more fun events coming. Hope to see you all there.

This is an exciting summer and year for us. We have on the agenda several beautification projects for Eton and we have applied for a gateway grant focusing on the Cohutta Wilderness Area to emphasize the outdoor setting of trout fishing, hiking, camping, and biking in that area. We hope this grant will be awarded to us. So please watch as we improve the aesthetics of our great little community.

Thank all of you for making Eton a wonderful community and a wonderful place to live and serve. Any questions or issues, please feel free to contact us at City Hall. I wish all our MOTHERS a wonderful and happy Mother's Day. Mothers are a true blessing and the best. You shape us and guide us to who we are.

Thank You,  
Billy Cantrell
